PRACTICAL CLINICAL COURSES

**PROCEDURE FOR RECEIVING
CE CREDIT FOR VIDEO COURSES**

1. Complete the enclosed Post-Test.* For each **CE Video Purchased**, one complimentary test is included. Additional tests are \$35/person per test. Fees can be paid by check or with a credit card when submitting tests to Practical Clinical Courses. If more than 10 CE tests are required per video, please contact us at 800-223-6569.
2. Complete the demographic information located at the end of the test.
Type of Credit:
 - a. If the applicant selects "State," PCC will issue a certificate of verification to the applicant. The applicant must then submit this certificate to their state board to obtain credit.
 - b. If the applicant selects "AGD," PCC will submit credit information to the Academy of General Dentistry and confirmation to the applicant that it has been submitted (*the applicant may check their AGD transcript for verification – please allow 30 days*).
 - c. If the applicant selects "Both," PCC will complete a. & b. above.
3. Return the **Post-Test portion** via mail, fax, or email. Our contact information is as follows:

Practical Clinical Courses
3707 N Canyon Road
Suite 3D
Provo, UT 84604
Fax: (801) 226-8637
cetests@pccdental.com

4. Practical Clinical Courses will correct the Post-Test. **Passing scores are 70% or higher.**

***TO OBTAIN CE CREDIT ONLINE:** Login or create an account on www.pccdental.com and select "My CE Tests" from the left-side menu. Click on the video title to take the test online. **RESULTS ARE IMMEDIATE.** Missing the test? Contact us at 800-223-6569 during our business hours of 7:00 a.m. – 4:00 p.m. MST to add it to your account.

PROGRAM

V4748 Essentials of Effective Dental Assisting 2nd Edition

CLINICIAN RESPONSIBLE:

Gordon J. Christensen, DDS, MSD, PhD
Founder and CEO, Practical Clinical Courses
Senior Consultant & Previous CEO, CR Foundation
Practicing Prosthodontist, Provo, Utah

GOALS & OBJECTIVES

At the completion of this video presentation, participants should be able to accomplish the following:

1. Discuss the importance of dental assistants in a busy dental practice.
2. Describe how to determine the optimum number of dental assistants for a specific practice.
3. Discuss administration for the team of dental assistants in a typical office.
4. Discuss the potential responsibilities for the lead dental assistant.
5. List several methods to develop a team in your office.
6. List several methods to discourage team development.
7. List the responsibilities of the lead dental assistant.
8. Describe the characteristics of an excellent dental assistant.
9. Discuss how to obtain adequate education/training for persons interested in becoming a dental assistant.
10. Describe the Certified Dental Assistant (CDA) designation and how to obtain it.
11. Discuss the importance of belonging to the national dental assistant organization.
12. Describe how a dental assistant can obtain adequate continuing education.
13. List five desirable personal characteristics for dental assistants.
14. List the cleanliness characteristics for dental assistants.
15. Describe dental assistant responsibilities for overall office cleanliness.
16. List five major responsibilities usually assumed by dental assistants in a typical dental office.
17. List several ways a dental assistant can be gentle when assisting a dentist.
18. Describe dental assistant responsibilities related to cleaning treatment rooms at the end of a clinical day.
19. List five potential expanded dental assistant responsibilities in which you are interested for your office.
20. List the steps usually involved in closing a typical dental office at the end of the day.

OVERVIEW

V4748 Essentials of Effective Dental Assisting 2nd Edition

If a dental assistant assumes the duties and personal characteristics discussed in this presentation, it is assured that the overall efficiency and effectiveness of most dental offices will be significantly improved. The following subjects are included in this presentation:

1. The importance of dental assistants
2. How many dental assistants are usually needed in a typical office
3. The organization of the dental assistant team
4. Developing a true team
5. Discouraging teamwork
6. Responsibilities of the lead dental assistant
7. Integration of the lead dental assistant and the scheduler
8. Assigning specific responsibilities to all of the dental assistants and cross training
9. Characteristics of an excellent dental assistant
10. Training/education for dental assistants
11. Qualifying to be a certified dental assistant (CDA) or Registered Dental Assistant (RDA) or Expanded Function Dental Assistant (EFDA)
12. Activity in dental assistant organizations
13. Continuing education — in-service, on-the-job training, formal continuing education
14. Desirable personal characteristics
15. Outgoing personality
16. Cheerful, happy
17. Positive, optimistic
18. Empathetic
19. Considerate, helpful
20. Personal cleanliness — self, attire
21. Ongoing cleanliness of the office
22. Infection control
23. Organization, recording, and supervision of supplies and equipment
24. Maintenance and repair of equipment
25. Patient records — treatment progress notes, radiographs, financial details, patient health
26. Setting up operatories — having all expected supplies and equipment in operatory, including emergency equipment
27. Patient education
28. Assisting the dentist — responsibilities are varied
29. Working with other assistants — 4-handed, 6-handed, and 8-handed dentistry
30. Working fast without haste
31. Clinical assisting requires thinking ahead
32. Gentle
33. Thorough
34. Ensuring patient comfort
35. Constantly aware of patient health challenges and potential emergency care need

OVERVIEW (CONT'D)

V4748 Essentials of Effective Dental Assisting 2nd Edition

36. Learning and using the best clinical assisting positions and actions
37. Cleaning the operatories at the end of the procedure
38. Cleaning and sterilizing equipment and instruments
39. Office cleanliness at the end of the day
40. Closing office at end of treatment day
41. Expanded functions for dental assistants

POST-TEST

V4748 Essentials of Effective Dental Assisting 2nd Edition

1. The optimum number of dental assistants for a practice is:
 - a. 2.
 - b. 3.
 - c. 4.
 - d. not a finite number, depends on many factors.

2. The lead dental assistant:
 - a. coordinates all patient care with the scheduler.
 - b. communicates for the dentist with the front desk personnel.
 - c. ensures that the practice stays on schedule.
 - d. enters the patient care information into the computer.
 - e. ensures that all patients are comfortable.
 - f. all the above.

3. Becoming a Certified Dental Assistant is:
 - a. a required designation for dental assistants.
 - b. automatic when you finish a dental assisting program.
 - c. a recommended elective designation.
 - d. none of the above.

4. Remaining competent as a dental assistant can be achieved by:
 - a. in-service training/education sessions.
 - b. on-the-job training.
 - c. formal continuing education.
 - d. all the above.

5. Dental assistants:
 - a. should be the primary equipment repair persons for **all** equipment problems.
 - b. should be the primary persons in charge of emergency equipment and supplies.
 - c. should not enter financial treatment details into the computer. That task is for business personnel.
 - d. should designate the most adequate front desk person to fill out treatment records.

6. Most dentists work with a _____-handed dentistry orientation.
 - a. 2
 - b. 4
 - c. 6
 - d. 8

7. Making sure that emergency equipment and supplies are functional and up-to-date is usually the responsibility of:
 - a. dental hygienists.
 - b. dental assistants.
 - c. the dentist.
 - d. the front desk personnel.

POST-TEST (CONT'D)

V4748 Essentials of Effective Dental Assisting 2nd Edition

8. Closing the office at the end of the day is usually the responsibility of:
- a. dental hygienists.
 - b. dental assistants.
 - c. the dentist.
 - d. the front desk personnel.
9. A negative personal appearance characteristic for dental assistants is:
- a. false eyelashes.
 - b. false fingernails.
 - c. short hair.
 - d. white shoes.
10. Although many persons contribute, the overall, ongoing psychological feeling of a dental office is the responsibility of:
- a. the dentist.
 - b. the dental assistants.
 - c. the dental hygienists.
 - d. the laboratory technicians.
 - e. the front desk personnel.
